Parade Sticker Program

**** NO PARADE STICKERS WILL BE MAILED OUT UNTIL REQUESTED BY PHONE, MAIL, OR EMAIL ****

Parade vehicles are defined as any vehicle used by Yaarab, a club, a unit, or a member, to, from or during a Parade, Practice Drill, Club competition, or scheduled maintenance. These vehicles may or may not be subject to motor vehicle registration laws and may or may not be self propelled.

Parade vehicles owned by Individual Members must meet certain criteria in order to participate in Parades and receive a Parade Sticker. These vehicles are not scheduled on Yaarab's auto insurance policy and are only covered under the Contingent Parade Liability Form which provides insurance coverage (liability only) for members using their own vehicles in parades. Contingent Liability is excess of any insurance the member may maintain.

For "member owned" licensed and/or registered vehicles:

Any vehicle that is registered and/or licensed will receive a parade sticker, free of charge, but only after the following criteria are met;

1. Copy of declaration page of your auto policy that lists Yaarab Shrine (at 400 Ponce Deleon Ave. Atlanta, GA 30308), as an additional insured on your personal insurance policy.
2. Limits of liability insurance must be a minimum of \$100,000 bodily injury liability per person, \$300,000 bodily injury liability per accident, and \$50,000 property damage liability.
3. Declaration page must show a expiration date that is the date the parade sticker will expire.
4. A description of the vehicle and signed "safety" statement.

For "member owned" non-registered vehicles:

Any vehicle that is not required to be registered must meet the following requirements in order to participate in parades and receive a parade sticker;

1. Required to be towed or trailered to all parades and activities.
2. Only covered for Yaarab approved parades and activities.
3. A description of the vehicle and signed "safety" statement.
4. Pay a \$75 parade sticker fee to Yaarab Shrine.
